

Pick a star shape by color.  
Cut along the color lines for a one-piece star  
(for appliqué).  
Cut along the black lines for a five-piece star  
(for a patchwork star).  
Cut along the dashed line for a star with a split  
point (i.e., 2 colors per point)

Remember to add 1/4" all around  
each piece for a seam allowance!
